Dental Rewards®

This dental plan includes a valuable feature that allows plan members to carry over part of their unused annual maximum. A member must submit at least one claim during the benefit year while staying at or under the plan-specific threshold amount. Earns an extra reward, called the PPO Bonus, by seeing a Network Provider. Employees and their covered dependents may accumulate rewards up to the stated maximum carry-over amount, then use those rewards for any covered dental procedures subject to applicable coinsurance and plan provisions. If a plan member doesn't submit a dental claim during a benefit year, all accumulated rewards will be lost; but he or she can begin earning rewards again the very next year.

Benefit Threshold	\$750	Dental benefits received for the year cannot exceed this amount
Annual Carryover Amount	\$400	Dental Rewards amount is added to the following year's maximum
Annual PPO Bonus	\$200	Additional bonus is earned if the member sees a network provider
Maximum Carryover	\$1,200	Maximum possible accumulation for Dental Rewards and PPO Bonus combined

Groups with a program similar to Dental Rewards on their previous plan are eligible for Dental Rewards Credits. To qualify for Dental Rewards Credits, the employer must request a list of carryover amounts from the previous carrier, to be sent to Ameritas.

Ameritas will credit each account based on amounts identified by the previous carrier. The credit is available only to initial insureds. The credit, and any amounts earned under our plan, will not exceed the maximum carryover proposed for the plan selected.

Enrollment data must include information for all dependents enrolling in the plan.

LASIK Advantage®

LASIK Advantage provides coverage for LASIK and related procedures, including standard LASIK, Custom LASIK, LASIK with Wavefront Technology, CustomVue LASIK, LASIK with IntraLase technology and Photorefractive Keratectomy (PRK). Members earn a lifetime benefit per eye over time. The benefit amount increases throughout a three-year period, with the highest coverage provided at year three. Members earn benefits for each eye and can't combine benefits for both eyes to use for a single eye. If a member enrolls after the initial enrollment period, they must wait 12 months from enrollment to be eligible for coverage; after 12 months the member will begin coverage at the year-one benefit. The LASIK Advantage benefit is available to members age 18 and older. Adult and child coverage is allowed - adult only and child only coverage are not. LASIK Advantage is only available with dental plans with preventive, basic and major coverage. There is no network tied to this coverage.

SoundCareSM Hearing Health Benefits

Life's getting louder.SM Thanks to the cranked-up volume of modern life, hearing loss has become one of the most common chronic health problems in the U.S. It afflicts more than 30 million of us - about 10% of the population has a significant hearing loss - and the number is growing. Today's Baby Boomers have the most active and noisy lifestyle of any previous generation. And hearing loss is occurring at younger and younger ages, partly because of electronic devices that flood our society.

In addition to the obvious culprits we're sticking in our ears - portable media players, cell phone earpieces, gaming headsets - here's a look at common noises that affect hearing, and the amount of time it can take for hearing loss to occur:

- stadium football game: two and a half hours
- tractor: 37 minutes
- hand drill: 23 minutes
- snowmobile: 15 minutes
- leaf blower, smoke alarm, chain saw, airplane cabin: a minute and a half
- rock concert, ambulance: 9 seconds

An Important Benefit

Today's top employers care about the well-being of their employees. Taking care of your hearing is an important but often overlooked habit for good health, and SoundCare can help. Practice good hearing health habits, prevent future problems and seek treatment when needed. That's sound advice for a happy, healthy future.

Dental Network Information

To find a provider, visit ameritas.com and select **FIND A PROVIDER**, then **DENTAL**. Enter your criteria to search by location or for a specific dentist or practice. California Residents: When prompted to select your network, choose the Ameritas Network found on your ID Card or contact Customer Connections at 800-487-5553.

Your provider network is Ameritas Classic and Plus Network.

Pretreatment

While we don't require a pretreatment authorization form for any procedure, we recommend them for any dental work you consider expensive. As a smart consumer, it's best for you to know your share of the cost up front. Simply ask your dentist to submit the information for a pretreatment estimate to our customer relations department. We'll inform both you and your dentist of the exact amount your insurance will cover and the amount that you will be responsible for. That way, there won't be any surprises once the work has been completed.

Late Entrant Provision

We strongly encourage you to sign up for coverage when you are initially eligible. If you choose not to sign up during this initial enrollment period, you will become a late entrant. Late entrants will be eligible for only exams, cleanings, and fluoride applications for the first 12 months they are covered.

Dental Cost Estimator

Members can use our dental cost estimator at any time to find average procedure charges in their area. The estimates do not include network discounts or plan benefits. Find the dental cost estimator at ameritas.com/applications/group/estimator.

After coverage begins, members can view average in-network charges in their secure member account. Members also may ask their dentist's office to submit a pretreatment estimate so they can see exactly how a proposed service would be covered and avoid any surprises. The pretreatment estimate is based on their plan benefits.

Worldwide Support

If a member has a dental emergency outside the U.S., AXA Assistance can help. AXA provides credible provider referrals and can even help with making the appointment. Providers referred by AXA are not members of the Ameritas network. AXA contact information is available in the secure member account.

Language Services

We recognize the importance of communicating with our growing number of multilingual customers. That is why we offer a language assistance program that gives you access to: Spanish-speaking claims contact center representatives, telephone interpretation services in a wide range of languages, online dental network provider search in Spanish and a variety of Spanish documents such as enrollment forms, claim forms and certificates of insurance.

This document is a highlight of plan benefits provided by Ameritas Life Insurance Corp. as selected by your employer.
